

# A unique glimpse of the palace gardens

## EAST MOLESEY

The gardens of Hampton Court Palace are the subject of a unique exhibition at the Fountain Gallery, which ends on May 25.

The paintings, by artist Suzy Abrahams, use acrylic and mixed media and are accompanied by bowls, platters, vases and pots made from wood harvested in Surrey by wood-turners Brian Ash and Jeff Cordery.

The work can be viewed for free on any day except Monday at the gallery in Bridge Road, just across the bridge from Hampton Court Palace. For more information, call 020 8941 5865.
